Executive Summary

Sports Environment Alliance For the 3 months ended 30 June 2021

Overview

For the June 2021 guarter SEA reported a net loss of \$28,916.

The full year position is a net **profit of \$15,150** (please see NOTE to the accounts below).

The quarter position is a slightly greater loss than budgeted, primarily due to a significant increase in human resource costs which was partially offset by the deferral of the SEA awards ceremony expenses (due to COVID-19 Victorian lockdowns) and unbudgeted new partner and consulting income.

Key Highlights

Income

Income from membership renewals and SEA Awards ticket sales were boosted with additional consulting income and (Moreland City Council) and a new partner (ePar).

Expenses

Despite the deferral of the SEA Awards event, overall expenses were higher than anticipated due to SEA operational team movements.

[NOTE to the accounts - Event Subsequent to Balance Date.

Income related to the SEA awards ceremony has been received and recognised in FY2021. However, due to the Victorian COVID-19 lockdown and extension, the event did not occur in FY2021. Due to the uncertainty of the situation, and the occurrence of these circumstances arising subsequent to balance date of 30 June 2021, the SEA awards ceremony expenses (estimated to in the realm of \$12,000.00) will be incurred and recognised in FY2022.]

Balance sheet

SEA's ending cash balance is in a strong position due to inclusion of COVID-19 grants and the pre-payment of consulting (YMCA).

The quarter ending accounts receivable is based off the issuance of member renewals in June 2021 and unearned income reflecting member renewals paid in the quarter which will be moved off balance sheet and into the FY2022 P&L.

Notes to the Financial Statements

Sports Environment Alliance For the 3 months ended 30 June 2021

1. Statement of Significant Accounting Policies

The directors have determined that the company is not a reporting entity and accordingly, this financial report is a special purpose report prepared for the sole purpose of distributing a financial report to directors and must not be used for any other purpose. The directors have determined that the accounting policies adopted are appropriate to meet the needs of the users of the organisation's financial information.

The financial report has been prepared on an accrual basis and under the historical cost convention, except for certain assets, which, as noted, have been written down to fair value as a result of impairment. Unless otherwise stated, the accounting policies adopted are consistent with those of the prior year.

The accounting policies that have been adopted in the preparation of the statements are as follows:

Income Tax & GST

The organisation is exempt from income tax expense. It is registered for Goods & Services Tax and remits this to the ATO on a quarterly basis on a cash received / cash paid basis.

Property, Plant and Equipment

Property, plant and equipment is initially recorded at the cost of acquisition or fair value less, if applicable, any accumulated depreciation and impairment losses. Plant and equipment that has been contributed at no cost, or for nominal cost, is valued and recognised at the fair value of the asset at the date it is acquired. The plant and equipment is reviewed annually by directors to ensure that the carrying amount is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the utilisation of the assets and the subsequent disposal. The expected net cash flows have been discounted to their present values in estimating recoverable amounts.

Debtors and Other Receivables

Unpaid invoices at balance date are recognised at the nominal transaction value without taking into account the time value of money. If required a provision for doubtful debt has been created.

Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company that remain unpaid at 30 June 2021. Trade payables are recognised at their transaction price. They are subject to normal credit terms and do not bear interest.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held on call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

Revenue Recognition Policy

Income is recognised on an accruals basis in the financial statements in line with the expected period that SEA anticipates its services being provided in.

All income is stated net of the amount of goods and services tax (GST).

| | | |

Explanatory note to Unearned Income

At 30 June 2021 SEA has determined membership income received in May and June 2021 relates to 2021-2022 income and as such have treated that income as unearned. Also included in unearned income is \$8,400 of Victoria University Partnership income, and \$28,500 of the YMCA Consulting contract income invoiced in June 2021.
